Who do I register my project with?

2008.02.22 12:48

Neomedia Komunikacije - [sonja@neomedia.hr](mailto:sonja@neomedia.hr)

As a rule, you can register your project for the competition announced by the Ministry of Culture for the funding of public needs in culture, in July for the coming year. The competition is published in the press and on the web pages of the Ministry, and will also be announced on this page.

We would recommend that you also send your project proposal to the Croatian Cultural Heritage Project Office independently of the competition for consultation, review and preliminary evaluation of the proposed project.
